

10. March 2015

Fuel Injection Systems and Parts

MBO in DUAP

Both, Mr. Erich Vogt, our actual "CEO", and Mr. Stefan Staude, "Production Manager" in DUAP, have taken over a portion of our personal shares. They are together with other three shareholders – in between which a finance corporation – the 100% owners of DUAP AG. This happened legally in November 2014.

Curriculum vitae:

Erich Vogt M. Tech. Nach. Dipl.

Practical experiences in mechanics, hydraulics, electronics

Companies Von Roll
 Mannesmann, Rexroth
 since 1996 in DUAP

Stefan Staude Process. Ing.

Companies since 1985 in DUAP as
 learner, as foreman, as instruction-, planning- and
 investment-officer

Governmental Head of practical studies in the BERN area

We all wish the above mentioned members of the DUAP board a full success in their top management functions.

Regards,

Chr. Leuch RA
President

Dr. H.O. Geisser, VRD
DUAP AG, Switzerland
