Fuel Injection Systems and Parts

Ambassador LeVine visits DUAP AG

(from left: Susanne Siegfried, Eric LeVine, Ambassador LeVine, Erich Vogt, CEO DUAP AG, Marc Römer)

On April 11, 2016, Ambassador LeVine and her husband Eric visited the HQ of DUAP Switzerland. The main focus of this visit was the presentation and demonstration of the latest DUAP technologies and products in order to reduce fuel consumption, combustion emissions and particles and lower the maintenance costs on the engines. The apprenticeship team received the opportunity to explain the Swiss dual education system.
