Observance of the European REACH-regulations including SVHC

last rev: 01-Sep-2021

Dear business partners of DUAP AG

With this document we would like to explain to you how DUAP Ltd. complies with EU regulation 1907/2006/EG, also known as REACH. REACH regulates the handling, the registration, classification, restriction and authorization of so called SVHC materials (Substances of Very High Concern). SVHC materials are rated as highly dangerous because of their harmful capabilities. The SVHC materials are listed in the "candidates-list" and can be transferred into the attachment XIV and XVII. Materials which are listed in the attachments XIV and XVII of the REACH regulations have to be authorised for use.

Since August 2009 the European Chemical-agency (ECHA) publishes every 6 months a list with new substances. Following the latest "candidate-list", dd 8th of July 2021.

DUAP confirm with this letter to the review and update of the REACH guidelines, so that all our products fully comply with the European Union's Regulation (EC) No. 1907/2006 of the European Parliament and of the Council of 18 December 2006 concerning the Registration, Evaluation Authorization and Restriction of Chemicals (REACH). Specifically:

- Our products do not contain any of the Substances of Very High Concern (SVHC) above the specified concentrations, as defined in Article 57 and Annex XIV.
- Our products do not contain any of the restricted substances, as defined in Article 67 and Annex XVII.

DUAP is monitoring all updates to this Directive and Annexes XIV and XVII, and confirm, that all of our products are in compliance with the actual requirement and amendments.

Should you have any questions, please contact us. Thank you for your cooperation.

Sincerely

Erich Vogt
CEO

Urs Denzler
