

## **General Sales Conditions**

Our sales conditions comply with the standards of the Swiss Association of Machinery Manufacturers. The agreement of the United Nations for International Sale of Goods of 11<sup>th</sup> April 1980 is excluded.

The rules of individually signed contracts on the same subject take precedence of the following sales conditions.

increases occur between the acceptance of the order and its actual delivery. Custom charges and other charges will also be billed separately.  6. Payment Conditions  All payments are to be made at DUAP's location strictly net without any discount and/or other deductions. CH-supplies are payable within 30 days after date of invoice strictly net without any discount. Export deliveries are payable in accordance with conditions stipulated in the order confirmation.  7. Detention of title  DUAP remains the rightful owner of the goods until all obligations of the supplies are duly met by the buyer. DUAP reserves the right of retention. In case of attachment or other instances of impairment of DUAP's rights hereunder, purchaser shall notify DUAP immediately.  8. Delivery terms  Delivery time starts with the finalisation of contract, availability of formalities, down payments according to order confirmation and clearance of all technical details with the purchaser. The delivery time is extended accordingly in case of incomplete technical information from the purchaser, and/or force majeure i.e. epidemics, mobilisation, war, riots, accidents, strikes, fire, non availability or faulty supply of raw-materials, rejects of important work pieces, catastrophes, etc.  Delivery terms are considered as order directions. DUAP fully mean to fulfil them, consequently eventual delays do not entitle any withdrawal from the contract by the buyer or call for compensation.  9. Gain and risk is transferred to purchaser as soon as goods leave DUAP's factory.  DUAP controls the performance of goods before dispatch. If the purchaser insists on further inspections and/or certification by a third party, the costs for such services must be borne entirely by the purchaser.  DUAP guarantees the quality of its products for a period of 12 months starting with the date of delivery ex works. The guarantee covers defects in material and workmanship only. The guarantee does not cover normal wear and		
3. Scope of Supply  2. ADP's performance is binding in accordance with the order confirmation and/or enclosures to the order confirmation.
